It's out, signed by AD yesterday. I think Nancy's off today so outreach to you and John was on my to-do today. Material is unchanged from what we transmitted to SPD by email in October, and cover letter is basically one paragraph. See attached.

PS – Let's keep Sam off of RM-related traffic (for FOIA purposes). I'm retaining mgmt. lead for what remains of this project...

Dear Mr. Townsley,

As requested by the South Pacific Division on October 18, 2017, I am providing you with EPA documents regarding the proposed Rosemont Mine in a form suitable for public release. If you have any questions, please contact me at (415) 972-3398.

Sincerely,

Elizabeth Goldmann
Physical Scientist
EPA, Region IX
